Love vs. money: Barbara Mackey's illustrated guide to your horoscope for March & April

**Pisces**  
FEB. 20-MARCH 20  
Martyrs never have fun. They're too busy crying. A windfall gives you some breathing room. Throw out those hole-y socks.

**Libra**  
SEPT. 24-OCT. 23  
Yes, we like you ... we really like you. Who says cheap is tacky? You do.

**Cancer**  
JUNE 22-JULY 22  
A 2-carat diamond is your idea of real love. Breaking the piggy bank gives you panic attacks.

**Virgo**  
AUG. 23-SEPT. 23  
Friends prove their loyalty and love. You don't count sheep; you count pennies.

**Scorpio**  
OCT. 24-NOV. 22  
Why is going solo so tragic? You have hit the jackpot! Money is not a memory.

**Sagittarius**  
NOV. 23-DEC. 21  
You are more popular and visible these days. Enjoy the accolades. Your "I'll think about that tomorrow" attitude toward money spells trouble.

**Gemini**  
MAY 22-JUNE 21  
You don't know when the party's over. Cut ties with opportunists. "Broke" isn't in your vocabulary anymore.

**Taurus**  
APRIL 21-MAY 21  
Love is always having to say, "I'm sorry." You have the Midas touch. Every business deal shines in 18 karats.

**Capricorn**  
DEC. 22-JAN. 20  
Negotiating with the opposite sex makes you so lovable. You can't take it with you, so start spending it on others.

**Leo**  
JULY 23-AUG. 22  
Top-dog behavior brings misery in love. Finally, you disengage from quick-rich fiascos.

**Aquarius**  
JAN. 21-FEB. 19  
Why get upset when they don't call back? Call them. Buy that new car, and don't think twice.

## The never tiresome "what's hot, what's not" list

### ARRIVALS

We're hoping the **leprechauns** bring us a little **luck** ... **Julia Roberts'** back on the big screen in "**Duplicity**" ... **Spring** has arrived, now bring on the **warm** weather.

We'll raise a glass to **Ricardo Montalban** and artist **Andrew Wyeth** ... Do we really need a **Friday the 13th** this month - or ever?

### DEPARTURES

**"Instead of slashing prices, high-end resorts tend to offer incentives."**
